

Explanation of Benefits for Ideal Dental Discount Plan

This plan provides dental coverage only for procedures that can be performed at Ideal Dental located at 1835 South Federal Blvd, Suite 101, Denver, CO 80219

The following procedures are never performed at our office and therefore are not covered in our plan: Impacted Wisdom Tooth Extraction, Orthodontics, Gingival Grafting, Implants, IV Sedation. **We may enter into partnerships with other providers who have decided to honor our plan for these uncovered procedures, however, these partnership discounts are never a guaranteed part of this discount plan.** Contact info Phone: 303-937-3750, Email - idealdentaldenver@gmail.com

Unlike most insurance plans cosmetic work is covered with this discount plan!

The plan will cost \$19.99 per month per person and will have no deductible, this is an individual plan, not a family plan. Patients must enroll in auto payment to join the discount plan, or pay for 12 month membership up front. Children ages 0-18 of adult members may be enrolled for \$9.99 per month per child. The plan will have a \$1000 benefit limit the first year and will have no limit after the first year as long as payments have been made on time. Patients may skip the waiting period for unlimited benefits by paying for a year membership of the discount plan up front and signing up for automatic monthly payments after that. If payments are not made for 3 months the plan will expire and will reset as a new plan with limits when the next payment is made. The doctors and staff of Ideal Dental reserve the right to discontinue this plan, or sever the patient doctor relationship at any point. Any patient that cancels their discount plan must pay for the months not enrolled to re enroll in the plan (maximum of twelve months.) The doctors at Ideal Dental reserve the right to refuse to do any specific procedure based on their judgment. This discount plan cannot be combined with any dental insurance. Discount percentages are off of Ideal Dental Standard Master Fee Schedule, which is subject to change without notice. Any fee quoted in a treatment plan will be honored for one year from the date of the treatment plan unless the treatment required changes, the fee was quoted in error, such as a \$0 fee, or if there was a computer/operator error. **If a patient misses one of their included cleaning appointments without 48 hours notice it will still count as having used their discount plan included cleaning. Less than a 48 hour cancellation notice does not allow the office to fill the doctor's schedule so the patient's reserved time with the doctor has been used if the cancellation is with any less than 48 hour notice and the exam and cleaning will be at the discounted percentages described below.**
